Project Id: CSE/A/001

Project Title: Smart India Hackathon Homepage

Project Description: You are required to design the homepage for the Smart India Hackathon website. The design should emphasize providing easy access to event details, participant registration, and guidelines. It should have a modern interface and cater to user-friendly navigation. The following sections and features should be included:

Key Features to Implement:

1. Header
2. Hero Section highlighting the event
3. Event Details section
4. Registration Forms
5. Footer with contact information
6. Responsiveness(optional)

Timeline: 2 Week(s)

Technology needs to used:

S. No	Html 5			CSS3			Java Script		
1	Div/span	Form	img	Display/position	flex	Pseudo-class	Async	Callback function	Await
